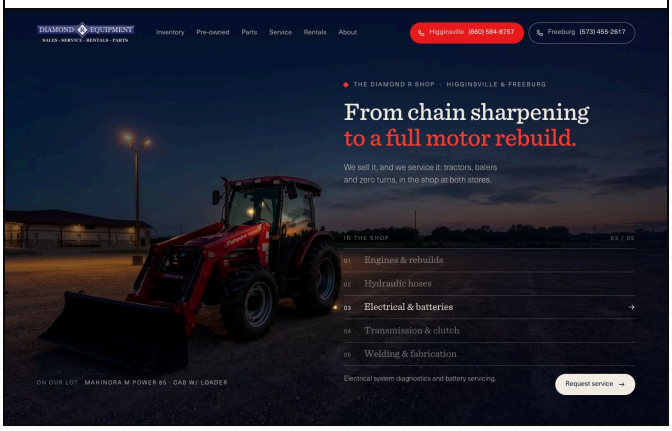
A new website for Diamond R.

PREPARED FOR THE DIAMOND R TEAM · BY ERIC BERG, CRUSH

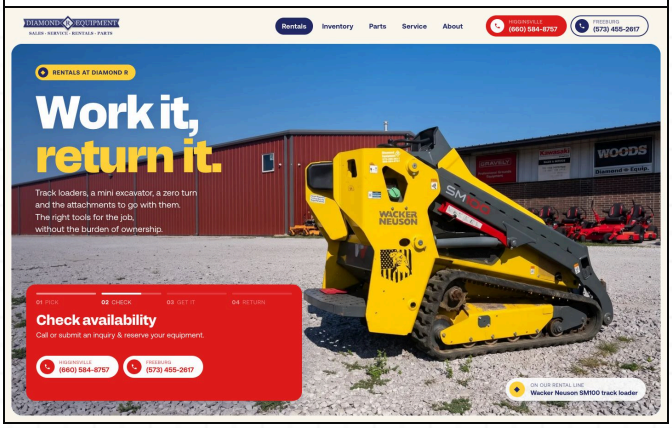
THE TOP OF YOUR HOMEPAGE

Three ways it could look. Pick one, and we build the rest in it.

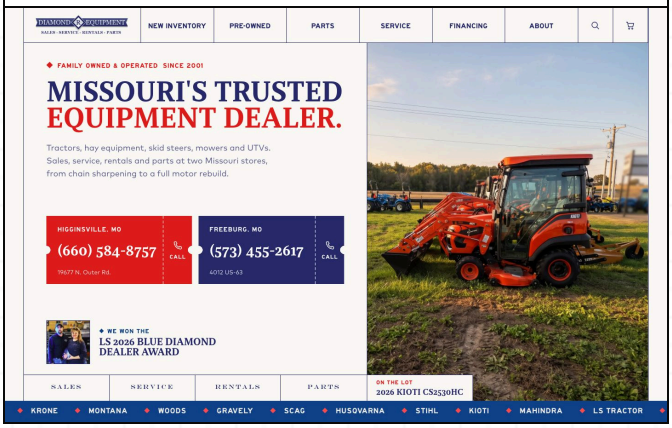
01 THE SHOP AFTER DARK



02 WORK IT, RETURN IT



03 YOUR HEADER, FINISHED



THE LAUNCH

$2,500

for $3,660 of work, one time

LIVE

Within a week

of saying go

YOURS

Yours to keep

theme and files in your store

01 WHERE WE STARTED

What we built it around.

01

From chain sharpening to a full motor rebuild.

Your own words. Option 1 puts your red Mahindra M Power 85 on the lot at dusk, with a work light that moves to each job your shop does.

02

Work it, return it.

The last of your four rental steps. Option 2 stands your Wacker Neuson SM100 rental in front of the store in midday sun.

03

Missouri's trusted equipment dealer.

Your header line. Option 3 finishes the site you have: your logo, red and navy, your Kioti on the lot and your LS award.

02 WHAT YOU GET

Pay for the website. Get the whole launch.

01	**The website** A new theme for your Shopify store: the homepage, inventory and parts pages, product pages and cart, built out from the top you've just seen, on your real machines, parts and checkout. Live on your domain within a week of saying go.	$2,500
02	**A launch promo** A short animated video made from your own photos and words, sized for Instagram, Facebook and anywhere else you post.	$140
03	**A launch email** Designed and written for your customer list, so the people who already buy from you hear about the new site from you.	$350
04	**A launch ad set** Twelve launch graphics for your own channels (email, socials, site banners), each sized for feeds and stories, with moving versions of the best four.	$350
05	**A phone receptionist, first month** From Hire Whoever, our sister company: a voice assistant that answers a store phone line for you, so customers who'd rather call still get an answer, and every call becomes a short written record you can read after.	$105
06	**30 days of changes** Text or email us what to change. It's live the next business day.	$35

PLUS, WHEN YOU SAY GO BEFORE 6 NOVEMBER 2026

BONUS	**Launch email setup** We set up the launch email in your store and line it up for your customer list, ready to go out on launch day.	$180

TOTAL VALUE	YOU PAY	THE ONE-WEEK PROMISE
~~$3,660~~	$2,500	If the site isn't live within a week of go, your first three months of changes are free.

ALL PRICES IN US DOLLARS. EACH VALUE IS OUR OWN PRICE FOR THAT PIECE ON ITS OWN.

06 QUESTIONS

The usual questions.

01

Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

02

Is it secure?

Yes. There's no WordPress and no plugins to keep patching, the usual way small-business sites get broken into. It runs on modern hosting with SSL, and every version is saved, so any change can be rolled back.

03

Who owns it?

You do. The theme and every file sit in your Shopify store, in your name. Your domain and checkout stay with you, and nothing of ours renews unless you ask.

04

How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from $250 a month, cancel anytime.

05

When do I pay?

Half ($1,250) when you say go, the rest ($1,250) when the site is live. You've seen the homepage before paying anything.

06

What about my inventory listings?

They come along, and you keep updating them the way you do today.
